

# SAVE OUR OCEAN

EDUCATIONAL FUNDRAISING PACK

Sea Monkey Project is engaging with the youth to tackle the ocean plastic pollution crisis together.

More than 1.1 million seabirds and animals die of **ingesting plastic**, every year!

BE THE GENERATION TO END PLASTIC POLLUTION!

# WHO WE ARE

Plastic pollution is everywhere, and going nowhere fast - except into our waterways, soil, food, air, and bodies. Here at The Sea Monkey Project, we create **ocean plastic solutions and education.**

We are raising funds to grow and empower our network of Community Project Sites, expand our youth education programs across Malaysia, and create positive social and environmental impacts.

Join us!

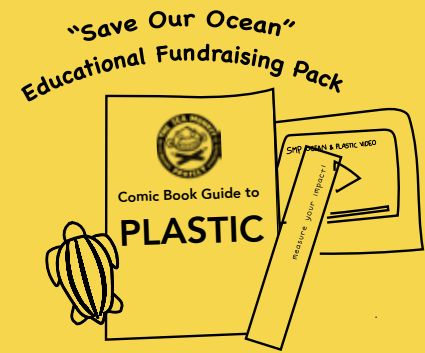

1. Realising the urgency to take action for ocean plastic pollution

2. Developing plans to combat plastic pollution

3. Receiving tools and educational resources from "Save Our Ocean" Educational Fundraising Pack\*

4. Fundraising and spreading awareness of plastic pollution

5. Supporting social cause or organise field trip and activities with the collected funds
